## **1. Introduction to IASFAA Policy and Procedures Manual**

### **1.1. Purpose**

The IASFAA Policy and Procedures Manual provides guidance, reference material, and historical continuity for the IASFAA Executive Council and Committee Chairs.

### **1.2. Content**

This Manual supplements the Articles of Incorporation and By-Laws by:

- providing an overview of the Association's structure,
- describing the responsibilities of members in leadership positions, and
- presenting the Association's approved operating policies and procedures.

### **1.3. Use (revised 5/2022)**

This document is electronically stored in the Google Drive

(<https://drive.google.com/drive/my-drive>) for the [iasfaadelegates@gmail.com](mailto:iasfaadelegates@gmail.com) for ease in updating and transfer as Executive Council Members and Committee Chairs change.

The electronic document is updated by the Delegates from information supplied by IASFAA members and approved by the Executive Council. Each Executive Council (EC) Member and Committee Chair is responsible for knowing the content of the IASFAA Policy and Procedures Manual and providing changes and updates, as applicable, to the Delegates. Upon approval by the EC, the Delegates incorporate changes into the electronic document, and a final copy is then supplied to the EC Members and Committee Chairs. It is also stored on the IASFAA website for the membership to access.

Certain sections of this Manual may be reprinted by the Delegates at the beginning of the IASFAA year and distributed to each Executive Council Member and Committee Chairperson. This is to ensure the new IASFAA leaders have an accurate, up-to-date document. These Policies and Procedures should be updated on the website as changes occur.

- 4.15.1. IASFAA members who serve as conference speakers or presenters may not be paid a fee or honorarium or be reimbursed for any personal expenses related to the conference (i.e., registration, transportation or room and board). This general policy also applies to individuals who work for agencies whose business is financial aid (e.g., ACT, CSS, or ICSAC, etc.). An exception to this policy may be made by the Conference Program Chairperson and IASFAA President for those members that are requested to attend the conference who would otherwise not receive reimbursement for their expenses.
- 4.15.2. The Program Committee is authorized to pay travel expenses, hotel accommodations and meals for non-member speakers for appropriate periods.
- 4.15.3. The Program Committee will ask if the non-member speakers will charge any additional fees (i.e., honorariums, stipends). It is suggested that \$300 is a reasonable guideline for interest session speakers. Approval of the Program Committee Chairperson and the IASFAA President is needed before final commitments are to be offered.

#### 4.16. **Reserve Fund Policy**

- 4.16.1. A Reserve Fund has been established to serve as the capital reserve for IASFAA. The idea of any reserve is a quantity to be set aside for contingencies.
- 4.16.2. The level of funds to be maintained in the Reserve Fund shall be equal to or greater than thirty-five (35%) of the current year annual operating budget on the expense side.
- 4.16.3. The level of the Reserve Fund shall be subject to annual review by the Finance Committee and quarterly review by the Executive Council. Any change in the level of the fund shall require a majority vote of the Executive Council.
- 4.16.4. The intent of the Reserve Fund is to have the funds available to meet unusual income shortfalls. A withdrawal from the fund is thought to be a capital liquidation and, therefore, should be considered an extreme measure. Any withdrawal from this fund would require a majority vote of the Executive Council.
- 4.16.5. The Reserve Fund shall be so identified and maintained in a separate interest-bearing account and managed according to sound financial investment policies. Any adjustment required to maintain the thirty-five percent (35%) reserve required shall be made at least annually. The Treasurer's report shall detail the balance of the fund and interest earned but may be incorporated within existing reports or reported separately.
- 4.16.6. Only the IASFAA Reserve Fund may be invested in Commercial Paper due to the nature of the fund. The Commercial Paper is limited to Associations rated by Moody's at Prime, and Standard and Poor's at A-1.

#### 4.17. **Investment Policy**

- 4.17.1. **Purpose:** The purpose of an investment policy is first, to safeguard the IASFAA cash reserves and, secondly, to produce as high an interest income as possible. The association will strive to maintain a 50/50 split between conservative CDs and more aggressive private corporate fixed income instruments with a minimum of Standard and Poor rating of BBB-.
- 4.17.2. **Authorization to Invest:** The Finance Committee shall act as an Investment Committee for the cash reserves. The Committee shall bring recommendations of investments to the Executive Council for approval prior to committing funds for investment.
- 4.17.3. **Types of Investments:** Investments may be made in the following instruments:
  - U.S. Treasury or Agencies of the U.S. Government instruments
  - Bank Certificates of Deposit
  - Commercial Paper & Deposits in Commercial Banks
  - Money Market Funds
  - Savings Banks
  - Private Corporate fixed income securities (bonds) with a minimum Standard and Poor rating of BBB-.
- 4.17.4. **Certificate of Deposit Maturity Procedure:** This policy provides guidance as to our philosophy about investing the Association's assets. Before a final decision is made about investing or reinvesting maturing assets, the Finance Committee and Executive Council will review current market conditions and make an investment decision (CDs or Bonds) that will best serve the long-term interest of the Association.
- 4.17.5. **CD Maturity Implementation** (adopted 4/3/13)(revised 5/2022):  
Upon adoption of the Certificate of Deposit Maturity Procedure (Policy and Procedures 4.17), the following schedule will be implemented with a suggested expiration date of

5/9/2017.

IASFAA's currently established CD maturity schedule is on a staggered, or ladder, schedule where certificates are maturing in different calendar years.

When the first and second of the four currently held CDs matures, the funds (ie: \$15,000) will be reinvested into a private corporate fixed income security (bond) with a minimum Standard and Poor rating of BBB-. The last two of the four maturing CDs will be reinvested into a CD or US Treasury note or bond. Once the four currently held CDs have been diversified, future investments will strive to maintain a 50/50 split of conservative (CDs and/or US Treasury notes or bonds) and corporate fixed income securities, as described in the Investment Policy approved April 3, 2013.

This Implementation Procedure will expire with the completion of the diversification schedule below.

Proposed Schedule (according to maturity dates at the time this policy is written):

1. MORGAN STANLEY 2.350% MATURE 06/21/2022:  
Reinvest CD/US Treasury notes/bonds (Certificate of Deposit)
2. GOLDMAN SACHS 2.350% MATURE 06/21/2022: Reinvest  
CD/US Treasury notes/bonds (Certified of Deposit)
3. EVERNOTH HEALTH INC, coupon rate 3.00%, matures 7/15/2023

Funding for any year should not exceed 10% of the total assets, less the reserve fund. Each year the Finance Committee will determine the amount of funding available for the year. #### 4.24. **IASFAA Listserv Policy**

- 4.24.1 The IASFAA Listserv is intended as an efficient method for IASFAA members to quickly disseminate relevant information to fellow IASFAA members. The listserv is a mass mailing list of IASFAA members who have paid membership dues for the current year. This means that you can send an email message to a single email address, and have it received by everyone who is currently a IASFAA member. You must be a "paid"

member in order to send messages to the listserv.

**IMPORTANT:** The listserv is for current IASFAA members and is updated regularly as membership changes. If you have paid for membership with IASFAA and are not receiving listserv messages, or you are having difficulty posting messages to the listserv, check your subscription in the Member Portal.

The IASFAA Listserv is the organization's official communication tool to allow for the timely exchange of information and problem resolution by IASFAA members. As such, its use is limited to IASFAA business by its members. Examples of appropriate listserv usage include the notification of IASFAA-sponsored activities, updates from IASFAA committees, sharing of milestone moments and questions posted to the membership. Users of the listserv should avoid profanity and personal attacks in all communications. All marketing and advertising of products or services of individuals or businesses is prohibited.

Membership in IASFAA includes agreement to the terms of the Listserv as noted above. Violation of these terms can result in loss of membership privileges.

Questions regarding Listserv use should be raised with the current Chair of Electronic Services or the President.

## **5. AWARDS GUIDELINES**

### **5.1. John Heisner Memorial Lifetime Achievement Award**

The John Heisner Memorial Lifetime Achievement Award is named in memory of John Heisner, a dedicated advocate for both students and financial aid professionals and a long-time director of program operations and financial aid services at the Iowa College Student Aid Commission. The recipient of this award exemplifies the ideals of service to the profession, support of colleagues, and advocacy for students. This award is the highest honor IASFAA bestows upon an individual member and requires significant contributions over an extended period of time; therefore a recipient may not be named each and every year. Nominations for this award are solicited by the Awards Committee with award presentation typically at the fall conference. Both nominators and nominees must be current IASFAA members (regular, associate, or lifetime), and prior recipients are not eligible for nomination.

### **5.2. John C. Parker Distinguished Service Award**

The John C. Parker Distinguished Service Award recognizes outstanding and prolonged achievement in support of IASFAA and the financial aid profession. The award is named in honor of John C. Parker; a past president of IASFAA, MASFAA and past national chair of NASFAA, whose service to the financial aid profession spanned four decades and touched hundreds of colleagues. The John C. Parker Distinguished Service Award recognizes an individual member's scope of accomplishment over a sustained period of time rather than recognizing excellence in a single event or project and focuses on the individual's call to service, a call John repeatedly answered. Nominations for this award are solicited by the Awards Committee with award presentation typically at the fall conference. Both nominators and nominees must be current IASFAA members (regular, associate or lifetime) and prior recipients are eligible for nomination.

In 2012, the Distinguished Service Award was named in honor of Dr. John C. Parker

by Executive Council vote.

### 5.3 **Meritorious Service Award**

The Meritorious Service Award recognizes a significant contribution to IASFAA and/or the financial aid profession. Selection is based upon leadership; work on an important project; or significant service to students, the association or the profession. Both individuals and committees may be considered for the award. Nominations for this award are solicited by the Awards Committee with award presentation typically at the fall conference. Both nominators and nominees must be current IASFAA members (regular, associate, or lifetime), and prior recipients are eligible for nomination.

**5.4 Presidential Award**

The Presidential Award is an award recognizing a significant contribution to the Association by either an individual or a committee during the President's term in office. The selection of a recipient is optional and is made at the President's discretion. Recipients must be current IASFAA members (regular, associate, or lifetime), and prior recipients are eligible for selection. Upon notice from the President, the Awards Committee prepares the award for presentation by the President.

**5.5 Outstanding Committee Member of the Year Award**

The Outstanding Committee Member of the Year Award was established not only to honor the outstanding accomplishments of a particular individual but to recognize the participation and contribution of all IASFAA members who serve on IASFAA committees. Nominations for this award are made by current committee chairs and submitted to the Awards Committee for recipient selection, with award presentation preferably at a conference. Both nominators and nominees must be current IASFAA members (regular, associate, or lifetime), and prior recipients are eligible for nomination.

**5.6 Outstanding New Professional of the Year Award (amended Feb. 7, 2012)**

The Outstanding New Professional Award recognizes the achievements of a financial aid professional who has been in the financial aid profession for five years or less but has already made significant contributions to IASFAA or the financial aid profession. Nominations for this award are solicited by the Awards Committee with award presentation preferably at a spring conference. Both nominators and nominees must be current IASFAA members (regular, associate, or lifetime), and prior recipients are not eligible for nomination.

**5.7 Student Success Story of the Year Award**

The Student Success Story of the Year Award recognizes a single recipient who symbolizes the importance of financial aid in achieving a post-secondary education. Both the achievements of the nominee and the use of financial aid in the pursuit of their educational goals should be addressed by nominators. Nominations for this award are solicited by the Awards Committee from IASFAA regular members with award presentation typically at a conference. Nominees must have recently graduated or be in the final year of their program at the institution of the nominating IASFAA member and must have received Title IV federal student assistance while enrolled.

The student recipient will receive an award in the same format as the IASFAA awards presented to members, and any student travel expenses for attendance at the awards ceremony will be assumed by IASFAA. The nominator or a representative from the student's institution will also be asked to attend and will be presented a certificate of recognition for the student's institution.

**5.8 John E. Moore Award**

The John E. Moore Award is awarded annually to a Financial Aid Office demonstrating the highest standards of service and commitment to their students and community. The award is comprised of a \$500 check and an engraved plaque.

Nominations are restricted to schools with at least one current IASFAA regular member and recipient selection is made by the Awards Committee. The previous year's John E. Moore Award recipient is not eligible. The award is named in honor of John E. Moore, the "father" of IASFAA, who convened a meeting of some 30 financial aid people in Des Moines on May 14, 1968 that set the stage for the creation of IASFAA. John, now retired from the University of Iowa, was IASFAA's first president in 1968-1969.

### **Review process**

Committee members who are employees of a school nominated for the award are excluded from the review process.

Committee members will review and rank all applicants and the committee chair or designee will tabulate and provide the rankings and lead the selection discussion. A review by at least three committee members is required. If three committee members are not available/eligible, the committee chair or designee shall substitute absent or ineligible members with current IASFAA elected officials who meet eligibility criteria.

## 6. **EXHIBITOR GUIDELINES**

### 6.1. **Purpose**

This policy is intended to establish and define criteria concerning exhibit fees.

### 6.2. **Authority**

The IASFAA Exhibitor Relations Committee Chair shall have the responsibility of overseeing the solicitation exhibitors and payment of exhibitor fees.

### 6.3. **Solicitation of Exhibitors**

The Exhibitor Relations Committee Chair shall maintain a list of all potential exhibitors which shows company name, address, telephone number, and contact person. All past and current exhibitors should be included on this list.

Additionally, the Exhibitor Relations Committee Chair, with assistance from the Treasurer and Treasurer-Elect, has the responsibility for collecting the exhibitor fees.

### 6.4. **Exhibit Fees**

Exhibit fees shall be charged and reviewed on a per conference basis.

### 6.5 **Business Solutions Sessions** (Amended Aug. 13, 2015)

Associate members are welcome to present on a variety of session topics at IASFAA sponsored events. Subject matter which is considered proprietary in nature or self-promoting of specific products and/or services would not be considered appropriate unless presented during a Business Solutions session.

Associate members have an opportunity to share their products and services with IASFAA members at the conferences by purchasing an exhibit space. Some associate members have expressed a desire to have a designated time at the conference in which they can highlight certain products/services. When the Program Committee receives such requests, or anticipates the need, a Business Solutions Session will be slotted into the conference agenda.

Procedure:

- 1) Time will be slotted on the conference agenda for Business Solutions.
  - a) Presenters will be allowed equal time slots (historically 20 minutes) to present certain products/services.
  - b) Interest session rooms will serve as a location of the Business Solutions Sessions to take place. This will allow associate members to showcase their particular product. If more associate members express an interest in hosting a session than interest session rooms permit, then every effort will be made by the Program Committee to find another room where sessions can be held, but

only if it is at no additional cost to the association. If the associate member is willing to absorb the cost of the extra room, then it will be allowed.

- c) If an associate member requests more than one session time, it will be allowed as long as all other associate members have had a chance to request a session by the deadline.
- 2) Associate members must pay the exhibit fee for that conference in order to participate in Business Solution Sessions.
- 3) Those interested in participating must complete the Exhibit/Business Solutions Form by the deadline. Session times will be reserved on a first come, first served basis.
- 4) Any charges for equipment needed beyond what the program committee has already contracted with the venue will be charged to the associate member requesting that equipment.
- 5) If fewer than nine associate members express an interest in hosting a session, repeat sessions will be allowed on a first come, first served basis.
